

Print this pdf in "actual size".  
Fold the two red corners  
to the back.

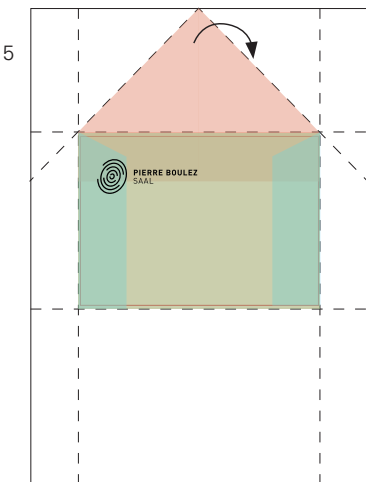

Fold the two blue flaps to  
the back as well.

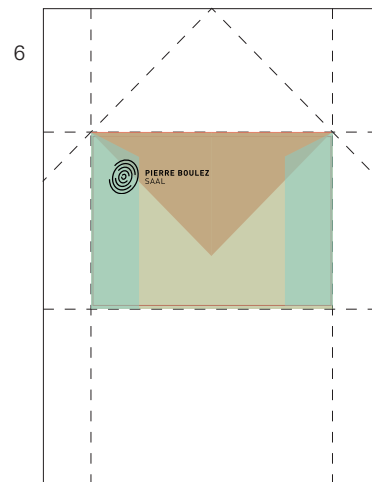

Now the page looks like a  
narrow, pointed house.

Fold the green field to the back,  
to fit exactly to the triangular  
top.

Fold the triangular top to the  
back, to obtain the envelope.

Fold the print@home ticket 2x,  
to fit in the envelope.
